4. Nursery Contract:
  - a. In line with the Local Education Authority (LEA) Parental Contract, the minimum contract period is for an academic term.
  - b. Notice Period: Due to the long-term commitment we make when reserving a child's place, we must ask you to make a similar commitment to us. We therefore, require a minimum of 4 weeks written notice, to reduce or cancel your child's normal booking.
  - c. Increasing your booking is subject to availability. If requiring an increase in funded sessions, this must be done before set cut-off dates. These dates vary termly due to the LEA head-count dates. If you are wishing to do this, in all circumstances please ask in the office.
  - d. The minimum number of nursery core sessions that can be booked is two per week (equivalent to 5 hours). Only under very special circumstance can a child be registered requiring less than this number.

### Centre Fees.

- a. **Nursery:**

Any agreed weekly pattern of booked hours will be deemed as forming part of this contract and fees will be charged for all contracted hours which exceed any funded hours claimed on your behalf from the LEA.

The Centre operates a monthly advance invoicing system for regular nursery fees and a weekly invoicing system for one-off nursery fees and other charges incurred.

Fees must be made in full, preferably in advance, on the first day of each month or the first day of attendance. We do operate various payment methods.

When the nursery is closed for training days or public holidays, etc. monthly invoice will be adjusted to take account of these closures.

During the academic year the nursery may invite all children to attend certain sessions. In such circumstances these sessions may be provided free of charge and monthly invoices will be adjusted to take account of these free sessions.

If, due to an unforeseen emergency, the nursery is forced to close we will offer a credit for the sessions which have previously been invoiced.

Unless the Centre is in breach of these terms and conditions all booked sessions must be paid for regardless of child's attendance. No refunds or credits will be given for sessions missed due to sickness, holidays or other absences.
- b. **Fees Structure and amounts:**

Nursery fees will be published in the Registration Pack and are available from the Centre Office. The Centre reserves the right to review the fees annually with any increases being implemented in the September term. Notices will be issued to parents prior to any fees increase.
- c. **Late or non-collection of Children:**

The Centre reserves the right to make an additional charge for children who are not collected on time at the end of the session. Charges will be applied for repeated failure to collect on time.
- d. **Failed Payment Costs:**

The Centre reserves the right to recover costs associated with failed payments provided by parents, including any bank charges incurred.
- e. **Unpaid fees and other charges:**

The Centre reserves the right to charge interest on any outstanding invoices, and may seek to recover any outstanding amounts owing to The Centre, and any costs incurred, through the correct legal channels.

Should an account not be settled sufficiently, the Centre reserves the right to withdraw the provision of all fee incurring nursery childcare.

- f. **Payment methods:**

Forms of payments accepted are Cash, Card, direct transfer to our Bank Account, or via PayPal. Further details can be obtained from the office.

### Funding.

- a. **Early Years funding.**

The Centre accepts children who are entitled to government funding but we do not offer 'free places'. The Centre will apply to the LEA for Nursery funding on the parents behalf and any funding received is used to offset against and Nursery fees. A child becomes eligible for government funding on a specific date after their 3rd birthday.

  - i. 15 hours universal offer:
 

All 3 and 4 year old children are entitled to 15 hours of nursery education for 38 weeks of the year.
  - ii. 30 hours extended offer:
 

Some 3 and 4 year old children may be entitled to 30 hours of nursery education for 38 weeks of the year. Eligibility is decided by HMRC and parents will be issued a code. This code must be provided to the Centre and must then be verified with the LEA. Parents must re-confirm eligibility every 3 months.
  - iii. 2+ Childcare Funding Scheme:
 

Some 2 year old children may be entitled to 15 hours of nursery education for 38 weeks of the year.

Please note that the Centre is unable to determine eligibility for 30 hours childcare or funded 2 childcare. Where a child has been given a place and is attending the nursery prior to a 30 hours code being verified by the LEA, the parent will remain liable for any nursery sessions should that code be refused by the LEA. Funding can only be claimed if a parent completes the County Council Funding Agreement.
- b. **Early Years Pupil Premium:**

EYPP is additional funding which the nursery may receive to improve the education which is provided for disadvantaged 3 and 4 year olds. EYPP is assessed by the LEA from information supplied by the parent on the County Council Funding Agreement.
- c. **Early Years Access :**

EYAF is intended to help the nursery meet the needs of pre-school children over 2 years old who have additional needs or disabilities who need extra support. All funding award decisions are made by the County Council and are not made by the Centre.
- d. **Other sources of funding:**

The Centre is happy for other agencies or third parties to provide funding for children attending the Centre. Where funding is offered, the parent or agency should inform the office and the agency or third party will need to complete a funding agreement covering invoicing and payment arrangements.

Any amounts received from any funding source cannot and will not be passed to the child's parent.

### General.

- a. **Centre Policy Documents**

The policy documents of the Centre form part of the Contract. Parents will be given the opportunity at the time of registering their child to study our Policy Statement Documents, they will also be available at all times when the Centre office is open. - c. **Newsletter.**  
The Nursery will produce a Newsletter approximately three times a year. This will be used to keep parents informed of changes in staff, policies, procedures, etc., informing them of events, themes, etc. occurring at the Nursery and general information regarding childcare matters.
- d. **Keeping Parents informed.**  
The Centre will keep parents informed of the activities of the Centre by as many means as possible including via our Facebook page.
- e. **Car Parking.**  
Parents are reminded that they are unable to park within the car park in front of The Centre. This car park, and its access, is controlled by Glebelands Primary Academy. The Centre only has a limited number of spaces available to its staff within this car park. Parents are also reminded of the parking restrictions on Farriers Gate.
- f. **Change of Details.**  
It is very important that parents inform The Centre as soon as any change in the information they provided on the Registration Form and Confidential Detailed Information Form occurs. This will include change of address or work details, telephone number (home, mobile or work), details of the alternative person to be contacted, address & telephone numbers, if neither parent can be contacted or in failure to collect, etc. This will allow our records to be kept up to date, so that if an emergency does occur, parents can be contacted immediately.

- h. **Damage to property & equipment.**  
The Centre reserves the right to charge parents, or those using The Centres facilities, for any costs incurred where wilful damage has occurred to The Centres premises, property or equipment.

## The Centre Promises.

The Centre makes the following promises to the parents of children who are registered at The Centre.

1. Once a child has been registered with The Meadows Nursery for a minimum of 2 sessions per week, their place will be reserved for them throughout the time the parent wishes their child to attend The Meadows Nursery or up until they start compulsory education.
2. Under special circumstances, The Centre will make special payment arrangements with individual parents.
3. The Centre will give a minimum of 28 days notice, in writing, of any change to fee structures for The Meadows Nursery (including Lunch Club) or any minor change in the Contract. Major changes in the general terms of the Contract will be notified in the same way, but a new contract will be issued for the parents to agree to and sign. Parents have up to 28 days to agree to and sign any new contract. If however, a parent fails to sign the new contract after this period, for whatever reason, it will be taken that the child's booking is no longer required and they will leave at this time.
4. The Centre will inform parents either through individual letters or 'News Letters' of changes to The Centre 'Policy Statement Documents'. These policy statements will be of the highest standard and will be reviewed on a regular basis. These documents are available to all parents at any time and The Centre encourages parents to read our policy statements.
5. The Meadows Nursery is open Monday - Friday, 9:00am ~ 3:00pm for 38 weeks a year and is closed for Bank Holidays, training days (which will be notified at least 28 days in advance) and school holidays.

## The Centres Philosophy.

Our overall aim is to prepare the children for full-time school with all that this entails in terms of their academic and social needs.

Our philosophy is to encourage the children's independence and to foster their self-esteem and this permeates everything we do at The Meadows Day Care Centre

At The Meadows Day Care Centre we aim to provide the Children with a creative and stimulating environment. It is hoped to smooth their path towards full-time school with imaginative and fulfilling activities, which they will enjoy.
